

Court of Appeals, State of Michigan

ORDER

People of MI v Keith Edward Wagner

Docket No. **353768**

LC No. **99-099999-FH**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

Defendant's motion to review bail is DISMISSED for lack of jurisdiction because he seeks review of a release decision made by the district court. The motion for review of a release decision should be filed with the court having appellate jurisdiction over the court that made the release decision, which in this case is the Macomb Circuit Court rather than this Court. MCR 6.106(H)(1).

The motion to extend time to cure defects is DENIED as moot.
